

For the attention of all Club Members

Re Face Coverings
24 September 2020

Dear Member,

Following the latest government announcement, customers in hospitality venues **must** wear face coverings, except when seated to eat or drink. You must put a face covering back on once you finish eating or drinking. Furthermore, staff in hospitality and retail will now also be required to wear face coverings at all times.

You may now get challenged by a member of staff if you are not wearing a face covering and may be asked to leave the premises if you refuse. This is enforceable by law and could lead to a £200 fine per person not wearing a face covering. *Please note that people who are exempt from wearing a face covering will not have to do so.*

These rules are for **inside only** and do not apply if you are sitting outside at one of our tables.

We must also enforce the new 10pm closure of the Bar & Clubhouse. This means all members must have vacated the premises by 10pm at the very latest. This applies to both indoor and outdoors and is mandatory.

Finally, we must now serve food and beverages using **table service only**. When you arrive at the Club, please be seated and one of our bar staff will be over to take your order. This is also a requirement we must follow to allow us to stay open in the safest way possible.

Best wishes,

Mike Piper
Club President
For and on behalf of The Committee
