

Supervised Squash Play
Squash Update 25/10/20

Dear Squash Members,

I hope this email find you all safe and well.

As you will now all know, there have been some significant changes to how you can play squash following the governments introduction of a '3 tier system' last week. Unfortunately, this has come with yet again more limitations and changes we have had to implement.

After many discussions at committee level and with Luke Parker, we are pleased to announce Luke will now be holding supervised group coaching sessions every Wednesday, Thursday and Friday evening. Under the new guidelines, coach supervised/led activities can still take place with up to 6 people from different households.

To allow us to do this, you will need to book your place online and pay via card as you book. The cost is £4 per person for 45 minutes of play and includes light fees. We appreciate that this is an increased cost however this is the only way we can conform with both Government and England Squash guidance, remunerate our coach fairly, and ensure our squash courts remain open while this 'tier 2' lockdown continues.

As ever, this guidance is ever changing, and we hope this won't be in place for too long.

Furthermore, I am delighted to let you know that George Parker will soon be working with Luke and offering his time in a similar manner. George is in the process of taking his coaching exams and, once completed, will be available for individual coaching and supervised sessions on Monday and Tuesday evenings.

If you'd like to participate in any of these sessions, please see below:

- Sessions will begin on Wednesday 28th October and continue for as long as they are needed.
- Bookings can be made now on the following link:
<https://clubspark.lta.org.uk/LeicestershireLawnTennisClub/Coaching/Adult>
- There are 4 different courses available, each at a different time. Please choose the time you'd like to play and book on to your chosen day.
- Time slots available are: 17:15, 18:00, 18:45 and 19:30.
- You and your playing partner must both book in advance to ensure a space.

- Spaces are limited to 4 people per 45-minute slot.
- The cost is £4 per person which is payable by card when booking.
- Bookings can be made up to 2 weeks in advance.

Please be aware that this is the only way you are able to play in the squash courts with another person who does not live in your household or is not in your support bubble. Any bookings which have already been made in the coming weeks will have to be re-booked following the steps above.

If you have any questions at all following this update, please let me know by replying to this email or emailing me on manager@leicestershire-tennis.co.uk

Kind regards

Alice Marston
Club Manager
