Junior Levels

Youth Red

Youth Red is for players aged 8 and under. It is played on small courts with short rackets and soft balls. Children will start to practise overarm serves, volleys and learn how to rally, whilst developing their co-ordination, balance, speed and agility.

Youth Orange

Youth Orange is a great way for players to continue their progress from Youth Red and is for players aged 8 and 9. It is still played with shorter rackets and softer balls but courts are slightly bigger and wider than the red stage. Children will learn tactics and problem solving, will know all the rules and develop a fully rounded game.

Youth Green

Youth Green is where children start playing on full size tennis courts and is a great way to continue their progress from Youth Orange. It is for players aged 9 - 11 and played with bigger rackets and balls which are a little softer than yellow balls. It's the stage before moving on to full compression yellow balls on a full sized court and helps players develop and improve all aspects of their game.
